

Does your website talk to your accounting software?

Isn't it about time it did?

The SupplyBridge Portal.

The SupplyBridge® Family of Products offers a full range of solutions for distributors, manufacturers and retailers of all sizes who want to sell products to their customers online.

SupplyBridge integrates with your existing business systems, extracting customer and product information and electronically importing orders in a secure manner.

SupplyBridge allows you to offer extended online services to your customers, build new business and, at the same time, build higher barriers to competition.

Best of all, whether your company needs the full wholesale and retail functionality of a commerce site or simply an online store, there is a SupplyBridge solution that can be configured to meet your current budget needs and grow with your business.

SupplyBridge Includes:

Online Catalog
Shopping Cart
Contracted Pricing
Retail Pricing
Customer Accounts
Featured Items

Special Items
Category Manager
Content Editor
Gift Certificates
EDI Modules
Order Templates
and much, much,
more...

Be a Hero.

SupplyBridge® makes it easier for your customers to do business with you. You can...

- Increase sales...
- Lower costs...
- Accelerate the order process...
- Offer better Customer Service...

Better, faster service along with more accurate order fulfillment means your customers will return time and time again.

If you have been looking for a web-based solution that will link with your accounting software and NOT look like a generic web page template, look no further...

SupplyBridge has completed successful integrations with major accounting packages, including MAS, SAP, Peachtree, Touchstone and Enspire.

For a free, no-obligation business evaluation or a demo to find out how the SupplyBridge Commerce Portal can help streamline your business, visit: www.MC2SupplyBridge.com or call 888-813-7160 (210-824-4106 if calling from outside the US).
